

7th March 2018

Dorchester Casterbridge Rotary Club

We are pleased to inform you that your organization has been successful in its application to the

ROTARY MARATHON SMALL GRANT SCHEME

With a grant awarded of £400 =

The sum of £ *four hundred* will be transferred to your bank account by BACS on receipt of your bank details.

We are grateful to you for the time and trouble taken to produce your application and we look forward to hearing when it is put to use and of the outcome and benefit to your group and patrons.

Whilst we do not enter into any correspondence on any aspect of our decision to award your grant we are including a 'Report on Applications', which we hope you find helpful.

We would be really pleased to receive photographs and reports where and when these are appropriate and we will be in touch again prior to releasing any details beyond the initial press release detailing recipients and amounts.

It is our intention to contact you again as we publicise the 2018 Dorchester Marathon to promote your organization, Rotary and the event itself.

One last thing to add is that the 2017 Dorchester Marathon was able to provide funds for these grants because the whole community got behind the event and make it the tremendous success it became. If we are to do the same again with the 2018 Dorchester Marathon and hand out even more grants this time we're going to need your organisation's help. Please do have a look at the included 'Help Needed for 2018 Marathon' information and come and meet us on 26th March to find out how you could lend a hand.

Congratulations on your grant and we look forward to hearing from you.

Well done, Celia

Tim
